EXPERIENCE

MERN STACK DEVELOPER

[Astrobyte PVT LTD](#)

2023 - Present Kinfra,Kakkanchery

- Developed and maintained full-stack web applications using MongoDB, Express.js, React.js, and Node.js.
- Implemented RESTful APIs to handle CRUD operations and integrated them with front-end components.
- Created responsive and dynamic user interfaces using React.js and Redux.
- Utilized CSS frameworks like Bootstrap and Material-UI to enhance the visual appeal and usability of web applications.
- Designed and developed server-side logic using Node.js and Express.js.
- Managed databases using MongoDB, including schema design, indexing, and query optimization.

FLUTTER TRAINER

[MaiTexa Info Solutions](#)

2022 - 2023 Calicut

- Demonstrated in-depth knowledge of Flutter and Dart programming language.
- Provided real-world examples and case studies to illustrate complex concepts.
- Offered one-on-one mentorship and support to students, helping them overcome learning obstacles
- Organized and participated in Flutter meetups and workshops.

PROJECT

Online Learning Portal

Present

a portal for online courses, including features for video streaming, quizzes, and progress tracking.

- Enabled instructors to create, update, and delete courses, including uploading video lectures, assignments, and quizzes.
- Designed a personalized dashboard for students to track their enrolled courses, progress, and performance.
- Developed interactive quizzes with instant feedback and scoring to enhance the learning experience.
- Integrated discussion forums for each course to facilitate student-instructor and peer-to-peer interactions.
- Implemented real-time notifications for course updates, new assignments, and forum replies using Socket.io.
- Integrated payment gateways (e.g., Stripe) for course purchases and subscriptions.

MINI PROJECT

Discord-clone

- Successfully developed a Fully Functional Discord clone.
- Demonstrated proficiency in modern web development technologies
- Showcased ability to create a real-time chat application with a sleek and responsive UI
